

WHO WE ARE

Based in the beautiful green mountains of Vermont's Northeast Kingdom, Celebrant@802Notarize offers both pre-written and customized wedding ceremonies for couples of all ages, backgrounds, and identities. Our celebrants are all ordained non-denominational ministers, and our combined experience allows couples to relax and enjoy the process of creating a ceremony which perfectly reflects their love, relationship, values, spiritual perspective, and style. We are able to officiate secular, interfaith, single-religion, and spiritual wedding ceremonies, as well as elopements, vow renewals, and commitment ceremonies. We are able to oversee ceremonies based on different religious and cultural background to highlight the values and traditions of the couple celebrating.
